Introducing our new GP Liaison - Rebecca McQuillen

Rebecca is excited to reintroduce the GP Liaison role as an essential bridge between GP's and hospitals, specialists, community services and allied health professionals.

The role will see Rebecca actively engage with GP's, clinic managers and specialists across Gippsland to build relationships and share the extensive range of services and specialists available at Maryvale Private Hospital.

Rebecca can be contacted by phone 0438 925 660 or email bdm@maryvaleph.com.au

Maryvale Private Hospital has recently established the Gippsland Physicians Group which provides the following comprehensive range of services:

- **Inpatient admissions:** caring for patients with all general medical conditions requiring ward-based management and care.
- **Inpatient palliative care:** compassionate care for patients at the end of life with support from specialist palliative care physician.
- **Peri-operative care:** Tailored care for surgical patients before, during and after their operations and surgical procedures.

Our dedicated team of physicians:

- *Dr Tim Coughlan, Nephrologist*
- *Dr Derk Pol, Cardiologist*
- *Dr Trung Quach, Nephrologist*
- *Dr Zaal Meher-Homji, Infections Diseases Physician*

[For referrals, please contact our physicians directly via the Nurse in Charge of the medical ward 0439 427 015.](#)
