Coming soon - Online Patient Admission Portal

This month, we will be launching our new online patient admission portal. This safe and secure online service provides patients with the convenience of completing pre-admission forms prior to their admission to Maryvale Private Hospital.

We are excited to launch this streamlined service making the admission process even easier for our patients.

Now administering iron infusions

We are now administering IV iron infusions for privately insured patients or patients wishing to self-fund their infusion.

Patients will require a prescription from their GP and can make an appointment by phoning the Nurse in Charge of our Medical ward (03) 5132 1205.

For Referrers

Admitting Rights — Doctors seeking accreditation at Maryvale Private Hospital should visit the Credentialing page or contact the Executive Office on (03) 5132 1201

Doctor Highlight

Mr David Scott

MBBS, FRACS

Mr David Scott is a Gippsland based General Surgeon with an interest in advanced laparoscopic surgery. He runs Gippsland Bariatric Services in Traralgon and is currently providing a general surgical service at Maryvale Private Hospital.

Mr Scott treats privately insured patients as well as self-funded patients for bariatric procedures. His secretary is happy to discuss costs related to Sleeve Gastrectomy.

The following services are offered by Mr Scott at Maryvale Private Hospital:

Sleeve Gastrectomy | Hernia Repair | Laparoscopic Reflux surgery | Gastroscopy/Colonoscopy | Gall Bladder surgery | Skin lesions/local flap reconstruction | Hand surgery / Carpal tunnel.

To refer your patient to Mr Scott, please contact his rooms directly.

Ph: (03) 5174 0036 or admin@gippsbariatric.com.au

Orthopaedic Surgeon Highlight

Mr Ben Brooker

MBBS, FRACS (Ortho)

Mr Brooker is a fellowship-trained Orthopaedic Surgeon with an interest in primary and revision lower limb orthopaedics, sports injury and all reconstructions as well as robotic and computer navigated technology.

Dr David Edis

MBBS, FRACS (Ortho),
FAOA, AFRACMA

Dr Edis is an Orthopaedic and Spine Surgeon, his main interest is in the management of adult spinal conditions. He has a particular expertise in less invasive techniques to manage spinal deformity. Dr Edis also specialises in hip & knee arthroplasty, knee arthroscopy and orthopaedic trauma.

Mr Ilan Freedman

MBBS, FRACS, FAOrthoA

Mr Freedman is an Australian and internationally trained surgeon specialising in direct anterior minimally invasive hip replacement, patient-specific 3D printed instrument partial and total knee replacement, joint preservation surgery, hip & knee arthroscopy and orthopaedic trauma.

Mr David Owen

MBBS, BE/BSc, FRACS,
FAOrthoA

Mr Owen is an Australian trained orthopaedic surgeon specialising in hip, knee and shoulder surgery. Mr Owen has completed training in robotic assisted joint replacement and also performs hip replacement with the anterior approach.

Mr Malcolm Thomas

MBBS, FRACS (Ortho)

Mr Thomas is a Melbourne and internationally trained Orthopaedic Surgeon with a special interest in shoulder, foot, ankle, hip and knee replacement including robotic and GPS technology surgeries. Mr Thomas is trained in the Navio robotics-assisted total knee replacement offered at Maryvale Private.
